- For entry into CPA PEP, a minimum grade of 60% is required in each prerequisite core course and a minimum overall average of 65% or equivalent as calculated by averaging grades across all of a student's prerequisite core courses, is required. A minimum grade of 50% or equivalent is required for every non-core course.

- A course may count as an exemption for more than one prerequisite if it covers competencies across multiple subject areas.

Disclaimer:

- Course exemptions are granted according to the approved CPA academic prerequisites in place when a course(s) was taken, provided the course(s) meets the applicable grade requirements and the 10-year currency of education for core prerequisites (See section 1.1.3 in HEP Vol. 1). CPA PEP admission may require the completion of updated course(s) for any expired exemptions.
- Applicants who receive exemptions based on previous academic prerequisite guides might have knowledge gaps and are encouraged to fill those gaps.
