Relevant, reliable information
for better business decisions

Business Valuation

This comprehensive guide provides an in-depth explanation of the principles, methodologies and approaches used in business valuation today. It addresses key issues frequently encountered in valuation assignments, such as minority discounts, income tax considerations and balance sheet adjustments. It also covers special topics such as the valuation of intangible assets, establishing royalty rates and deal structuring in open market transactions.

The Institute of Chartered Accountants of Saskatchewan

NOTICE OF EXPULSION

The following person has been expelled from membership with The Institute of Chartered Accountants of Saskatchewan by an Order of the Discipline Panel.

This person was suspended as a member of the Institute on March 30, 2010 pending the disposition of criminal charges against the person. Having been expelled, this individual may not use the professional designation "Chartered Accountant" or "C.A." in Saskatchewan.

James Albert Besler – Esterhazy

Authorized by: May 22, 2012
Keri McFadden, CA
Secretary-Treasurer
The Institute of Chartered Accountants
of Saskatchewan

We Stand Corrected

We apologize for the following errors/omissions made in the May issue of *Horizons*:

- In our "Cheers to our Volunteers" article we omitted Tanya Knight, CA from the Professional Conduct Committee.
- Under "Memorials," Janet Wahn's date of admission should have read 1945. An interesting fact to note – she was the first female Chartered Accountant in Saskatchewan.
